

What forms do I need to practice or participate in an event?

Waivers are to be used for each practice or event in which a youth fighter participates. Please see the matrix below to see what forms are required in order to participate in youth combat activities.

If parent or guardian will not be present, the notarized form is required for participation. Please note, however, that parents/guardians MUST be present in order for a youth fighter to authorize for tourney and melee combat.

Please note that minors who attend practices or events without their parents (with a family friend, aunt, etc) must have a Consent to Treat form. In the East Kingdom south of the Canadian border, the notarized form is to be used. For those gentles residing (or attending events/practices) in Canada, the non-notarized form is to be used.

Youth	Waiver to Participate	Notarized Consent to Treat	Consent to Treat

All forms are available at <http://www.sca.org/docs/waivers.html>
